

## Manufacturer's Declaration E2

according to the EMC Law and the EU Directive  
 Electromagnetic Compatibility 2004/108/EG

File: emv2\_18-E.DOC of 09 November 2005

Manufacturer's name: Lenord, Bauer & Co. GmbH  
 and address: Dohlenstraße 32  
 46145 Oberhausen - Germany

This is to confirm that the products specified below comply with the standards described in the following:

Application	Requirements as to	
	electromagnetic emission	electromagnetic immunity
Industrial	EN 61000-6-4 : 2004	EN 61000-6-2 : 2002

These products are certified by the CE mark. They are dependent components only supplied to skilled users who ensure the electromagnetic compatibility of the entire machine/line where these products will be incorporated. Only skilled personnel being familiar with the stipulations of the Directives of the Electromagnetic Compatibility are allowed to commission these products observing the documentations supplied. The safety and assembly instructions, in particular, as well as the assembly instructions with regard to EMC must be followed.

When using the devices in residential areas or in commercial or industrial environments the requirements as to electromagnetic emission defined in EN 61000-6-3 can be complied with by applying additional shieldings and filters.

The manufacturer of these products will keep the documentation belonging to the declaration of conformity available, in case they are required by the respective authorities.

This declaration does not represent a guarantee for technical characteristics and is valid for the following products:

Controllers: GEL 4440 / 7100 / 7500 / 7600 / 7700 / 7800<sup>1</sup>  
 GEL 8100 / 8200 / 8300 / 8600  
 Counters: GEL 103 / 104 / 105  
 Linear scales: GEL 174 / 175  
 GEL 180 in connexion with GEL 210  
 Absolute encoders: GEL 150 / 160  
 Servo converters: ND 31/LD 2000/LD 2400/LD 100

Oberhausen, 09.November 2005
